LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier’s Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Pilgrimage of the Magi ... 11 On coming to the house, they saw the Child with His mother Mary, and they fell down and worshiped Him. Then they opened their treasures and presented Him with gifts of gold and frankincense and myrrh. 12 And having been warned in a dream not to return to Herod, they withdrew to their country by another route. 13 When the Magi had gone, an angel of the Lord ...
