Baby Tracker: Countdown to My Birth

Every pregnant woman knows that when you are pregnant, the countdown to your due date begins the day of conception. But what is clear is that what you think is your due date may not be your baby's actual birthday. There are 266 days from the day of conception to your "due date" or 280 days if you count from the first day of the last period.

Countdown Timer to Any Date

Countdown to my birthday. I am still young and of course, want to have a blast on this day. Although, I do want it to be of substance and have meaning other than it just be celebrating the day I was born. Since I was born in May, according to my birthday calculator, the most important number in my life is my life path number. That number is eleven.
