FlyLadyPlus on the App Store

I had developed my Control Journal but I still needed to be reminded to look at it. Every hour, a reminder would pop up on my Palm Pilot. Even if I didn't actually do that item right then, it was in my head. Repetition is good to help develop lifelong habits. The reminders in our App can be checked off to give you a sense of accomplishment.

FlyLady's FlyShop

The app is universal and is ideal for anyone. Chores are broken down by days of the week, but it doesn't end there. Each day is then broken down into morning and evening chores. The app includes a feature called "Focus Zones," which assigns certain rooms of your house to specific days for cleaning.

For quite a while we have been asked for a control journal online or for a FlyLady app for mobile phones; this team has something even better! The fact that you and all of your family members can use the FlyLady Online Organizer at the same time — from not just your phone but computers as well — is a great feature. Your spouse can be at work and add something to the grocery list, you can be at home and add something to the to-do list, and your child can be at soccer practice and add a ...
