of Sweet Leaf: A Review on Stevia...

Rebaudioside is sweeter by almost 30 times than stevioside (it is also sweeter than sugar by 200 to 300 times approximately). The white crystalline powder derived has a slight bitter after taste so steviosides are converted synthetically into rebauside for improving the taste.

& Side Effects Of Stevia | Sweet Leaf

Stevia doesn't have lots of different varieties, like some plants. Some nurseries sell stevia simply as *Stevia rebaudiana*. Other places will sell it as Candy Stevia, Sugar Leaf Stevia, and Stevia Sweet Leaf. Either way, it is all the same plant and is said to be 20-30 times sweeter than regular table sugar.
