A conspiracy is a secret plan to achieve some goal, whose members are known as conspirators. A conspiracy theory originally meant a pre-formed conclusion an idea that an event or phenomenon was the result of conspiracy. However, since the mid-1960s, it has often been used to denote ridiculous, misconceived, paranoid, unfounded, outlandish, or irrational speculations theories.

Conspiracy theory - RationalWiki

In short, dropshipping is the act of selling a product on your website without actually handling its fulfillment and shipping. Another key benefit of dropshipping is that you don't pay for the product until the customer pays for it, making dropshipping an attractive option for people who don't want to spend a lot on initial inventory or who don't want to risk buying products that won't sell.

Dropshipping for Dummies: A Beginner's Guide to Dropshipping

The Commandant shut down the Marine Corps schools at Quantico and tasked all of the officers with coming up with a doctrine for amphibious warfare that would actually work. Everything from Naval gunfire, landing craft, air support, logistics. Not just infantry, but artillery, combat engineers... and countless other parts of the "machine."
