Finally, problems are included to ensure
that the students use the statutory
interpretation skills they have just
learned. Each problem lends itself to at
least two arguments (often more) and
allows for further inquiry into the
concepts in the chapter. The second
edition has been revised and updated to
include more problems and a few new
cases.

requires judges to interpret statutes "in light of their present societal, political, and legal context."

Legal Theory Lexicon 078: Theories of Statutory ...

Statutory Interpretation is a practical guide to the techniques and reasoning used by lawyers and judges to resolve interpretation problems. The book deciphers the complex rules of interpretation, explains the way these rules relate to each other, and focuses on their strategic use constructing arguments and justifying outcomes.
