### Surprising insights into the nature of the human soul from ...

The human nature or man is tripartite in the sense that he is three-way or three-parts. These parts are the human spirit, the human soul and the human body. This view is also held by a lot of theologians. But many of them do not hold a univocal arguments in justifying this claim.

### INTRODUCTION TO THE HUMAN NATURE: BODY, SOUL & SPIRIT

Answer: The Bible is not perfectly clear as to the nature of the human soul. But from studying the way the word soul is used in Scripture, we can come to some conclusions. Simply stated, the human soul is the part of a person that is not physical. It is the part of every human being that lasts eternally after the body experiences death.

### What is the human soul? | GotQuestions.org

It is the Manasic entity, the individual human soul, which sets the causes in motion in each lifetime - through every thought, word, and action - which have to have their corresponding Karmic effects in this and subsequent lifetimes. It is the maker and the experiencer of Karma. It has a dual nature, that of Higher Manas and Lower Manas.

Bill Plotkin defines the eight stages of human life and describes the cultural and individual tasks for each stage in brilliant, insightful, and masterful ways."

**Nature and the Human Soul: Cultivating Wholeness in a ...**

The human soul is that part of a person that is eternal—the part that lives on after the body dies and decays. Jesus said we were not to fear men, who can only kill the body, but not the soul (Matthew 10:28). There is some confusion as to whether the human spirit and the human soul are the same thing, or different in some way.
