Observations on the Feeling of the Beautiful and Sublime (Beobachtungen über das Gefühl des Schönen und Erhabenen) (1764) is an early treatise on aesthetics by 18th century German philosopher Immanuel Kant. These observations function as basis for his Critique of Judgment (1790). Kant, as many other philosophers of the enlightenment, focused on the 'taste' of the individual rather than the 'form' of the object.

Synopsis. Kant's only aesthetic work apart from the "Critique of Judgment," Observations on the Feeling of the Beautiful and Sublime gives the reader a sense of the personality and character of its author as he sifts through the range of human responses to the concept of beauty and human manifestations of the beautiful and sublime.

Observations on the Feeling of the Beautiful and Sublime ...
Kant's Observations on the Feeling of the Beautiful and the Sublime is often mined (especially, these days, for damning sexual and racial stereotypes) but rarely singled out for careful study. 1 The essay was completed in 1763 when Kant, hardly forty and already a successful philosophic and scientific author, was enjoying his first years as an instructor at the University of Königsberg where he was by all accounts a lively and popular teacher. Raised by his poor but honest father and a ...
