Sepp Holzers Permaculture A Practical Guide To Small Scale ...

Holzer Permaculture is a solutions based approach that addresses these problems. Indigenous groups learned how to tend the landscape in a manner that provided for all of their needs while also improving the health and fertility of the Earth. This was the logical approach. To destroy the land which supports you is to destroy yourself.

Holzer Permaculture

This is an easy to read, thought provoking explanation of permaculture by a guru of permaculture. Sepp Holzer explains the practicalities of how he created a permaculture installation at 1000 metres plus in Austria and makes it easy to see how so many of these techniques can be used elsewhere. I am keen to read his other books.
